

Minutes: Oct 21, 1998

Present: Dino, Troy, Moose

1) Web site: Dino agreed to continue to monitor the web site. We really need some idea of how to use. We agreed that AoE will be on the web site. There are some concerns of private issues and some public issues. For example, what is private issues? They are some chats about what should go into archives. Dino will meet with me to upgrade the distribution list and transfer this to Web.

2) DIS: Hot-line interperter seem to be successful and ongoing. There is still some bugs that is needed to iron out.

3) NSC/DPG: In very near future, we will set up a meeting with several NSC officers with several DPG steering committee members. Either Patti or Moose will chat with Debbie Byrnes to set up a meeting with us. It was agreed that we should have a shared agenda.

4) OTHERS: Moose would like to encourage each of the members to submit a thank you letter to Channel 10 thanking them for having live caption news at 6:00. As a group, it was agreed that we should encourage all DPG members to do so.

Next meeting Nov 9 at 1:00 in 60-2227.

Please read the minutes and provide feedback before I send it out to the community.
