The Ontario Association of the Deaf (OAD), working with the Ottawa Deaf Centre (ODC), would like to invite you to attend their 8– Point Policy Forum. This event will highlight eight distinct points to encourage the government, the Deaf community and hearing allies to work together towards a better future for the Ontario Deaf community.

For more details, please contact ODC at (613) 667-0316 TTY, 667-0315 Voice or e-mail [ottawadeafcentre@rogers.com](mailto:ottawadeafcentre@rogers.com)

## **DID YOU KNOW...**

- ◆ That Deaf children/students with cochlear implants are not allowed to learn ASL and begin exposure to an American Sign Language (ASL) environment?
- ◆ That no policy has been set for criteria for success and transition planning for Deaf children/students who are not succeeding in spoken language programs?
- ◆ That there is no ASL Proficiency Policy for Teachers of Deaf Students?
- ◆ That there is no Access and Accommodation Policy for Deaf students in the classroom (i.e. qualified educational sign language interpreters/educational assistants with ASL skills)?
- ◆ There is no anti-audism/anti-ableism policy in Provincial Schools for the Deaf and School Boards?
- ◆ There is intimidation and systemic discrimination against Deaf children/students/Deaf staff in educational system in Ontario?
- ◆ That fewer and fewer Deaf students attend post-secondary education institutions?
- ◆ That fewer and fewer Deaf students attend skills training?
- ◆ That fewer and fewer Deaf professionals and Deaf employees in the workplace?
- ◆ That there are more and more Deaf recipients of Ontario Disability Support Program and Ontario Works?
