

STUDENT RATING SYSTEM ADVISORY COMMITTEE AY10-11

Charge:

The Student Rating System (SRS) of Educational Services Advisory Group provides ongoing review of SRS policies, procedures, and forms; provides oversight and quality control for the quarterly administration of the SRS; maintains SRS faculty request system/website and database; conducts periodic evaluations of the SRS and identifies ongoing research needs with support from research faculty. The SRS Advisory Committee makes recommendations to the Associate Vice President for Academic Affairs.

During Spring quarter, new faculty representatives are appointed to serve staggering five-year terms.
