HOW DO YOU PAY FOR CHARGES?

Electronic Billing Information

Fixed Charges

The Student Financial Services Office of RIT is responsible for maintaining students' accounts and preparing quarterly bills in regard to Fixed Charges. It is also the responsibility of the Student Financial Services Office to allow or disallow any student's registration based upon payment or non-payment of these quarterly bills by the designated due dates.

The due dates for payment for the 08-09 academic year are as follows:

Summer Vestibule Program	08/19/09
Fall Quarter	08/19/09
Winter Quarter	11/23/09
Spring Quarter	02/24/10
Summer Quarter	05/20/10

Questions regarding student accounts and/or quarterly bills should be directed to the NTID/VR Billing Department located in the Student Financial Services Office at [585]-475-6186 (V/TTY). Additional information can be found on our web site at <http://finweb.rit.edu/sfs/>. Student Financial Services representatives will be present during SVP Parents' Weekend.

The University has an electronic billing (eBill) program for students. EBills have replaced paper statements. Each quarter, all RIT students will receive an e-mail notification to their official University e-mail account, stating that their eBill is available. Students have the option of selecting three additional e-mail addresses to allow for a parent, guardian, sponsor, or other authorized user to receive eBill notifications.

Instructions to Allow for eBilling Access

- 1) Student logs into the eBill site at <https://ipay.rit.edu/eServices/> using his/her official RIT computer account user name and password
- 2) Click on “Add/Delete Access” in the left hand column
- 3) Click on “Create New Account” to add the name and e-mail address of the person being given access, then select the boxes that are applicable for access for this person:
 - a. Show Student Account
 - b. Show Food/Tiger Bucks balances
 - c. Show Grades
 - d. Show Schedule
- 4) Click on “Okay”
- 5) The person who has been given access receives an e-mail from “eservices” with instructions to verify student information and to set up their own password

Cost and Payment Procedures

University billing statements may be paid by cash, check or electronic check (e-check). The University **does not accept credit card payments** for tuition, fees, room and board that appear on the student billing statement. However, we have an arrangement for a third party vendor to accept MasterCard and Discover Card when payment is made online. The vendor does charge a percent service fee for each credit card transaction. Billing related payments (check) may be mailed to: Rochester Institute of Technology, Student Financial Services, P.O. Box 92878-200, Rochester, NY 14692-8978. Payment may also be made in person at the Office of Student Financial Services on the first floor of the University Services Center. Credit card and e-check payments can be made at <http://ipay.rit.edu>.

Due dates are clearly designated on the billing statement and our web site. Failure to pay the amount due (or to arrange an optional payment plan by the due date) will result in a late payment fee for students without a valid deferral.

Monthly Payment Plan

The monthly payment plan projects the student’s annual charges based on information provided on the application form, less any anticipated Financial Aid, and divide it by 10 months. The plan, which offers flexibility in both timing and method of payment, carries no interest or finance charge, but does require a \$50 administrative fee. You can apply for the plan electronically and submit it through our web site at <http://finweb.rit.edu/sfs>. First monthly payment is due August 1, prior to the beginning of the school year. The minimum net annual amount due must be \$1,000 (\$100 per month). Students must register for a minimum of 2 quarters during the Academic year. Applications cannot be accepted after August 10,2009.
