

Declaration of Financial Support

Note: Students and their parents are responsible for demonstrating that sufficient funding is available to meet all academic and living expenses for the duration of study at RIT. A Certificate of Eligibility (I-20 or DS-2019) cannot be issued until this form is completed and returned to the Undergraduate Admissions Office with all the appropriate supporting documents. Documents must be accompanied by an English translation.

Applicants for undergraduate study must provide a bank statement showing at least \$29,000USD available for their support before their application can be reviewed. All applicants are considered for merit scholarships, which typically range from \$6,000 to \$13,000 per academic year. Since scholarships are limited, and applicants are able to apply for limited need-based scholarships, the total support that may include these scholarships must total \$42,000USD in order for RIT to issue the I-20 or DS-2019 Forms necessary to apply for a student visa.
