FOR STUDENTS

HOW ACCES/VR WORKS

At the beginning of each semester, or occasionally each year, your ACCES/VR counselor sends the campus store authorization papers listing which items ACCES/VR will pay for and the amount. You are responsible to pay for any items ACCES/VR will not cover.

Each time you purchase an item to be charged to your ACCES/VR account, you must sign a charge slip so that ACCES/VR can be billed for the cost of the merchandise.

At the end of each semester, a bill will be sent to ACCES/VR for the total of the purchases charged to your account. If the total of the purchases is less than the amount ACCES/VR authorized for you for the semester, ACCES/VR will cancel the remainder. If you will be receiving ACCES/VR support during the next semester, your ACCES/VR counselor will send new authorization papers for that semester.

HOW TO MAKE A PURCHASE USING YOUR ACCES/VR ACCOUNT

At the beginning of each semester, you should check at any cash register at Barnes & Noble to ensure that the necessary authorization has been received from ACCES/VR. If your authorization has not yet arrived, you may have to call your ACCES/VR counselor and ask him/her to contact Barnes & Noble @RIT. Your counselor may contact us using any of the following methods:

Lea Spock
email: lasbkf@rit.edu
phone: 585-424-6766 option 6 (V) may use relay
fax: 585-424-6716

In order to ensure that you are purchasing the books your professors want you to have for your courses, we recommend that you attend class before buying your books. There is also a computer in the bookstore on the second floor where students can print a list of the books required for their registered classes.

You must show an RIT ID each time you wish to inquire about or charge a purchase to your Vocational Rehabilitation account. It is fraudulent to use another student’s ID card. If this situation arises, a student may risk losing VR funding and be investigated for theft by Public Safety.

The books in the Coursebook Department (second floor) are arranged on the shelves by course number. It will be easier for you to find the books you need if you bring your course schedule with you. You can also access and print your schedule at the info desk on the second floor.

Computer equipment, supplies and software are now located at the Barnes & Noble @ RIT Bookstore. Authorizations will need to be made out to the store, the item(s) to be purchased need to be stated clearly and the cost of the item needs to be on the authorization.
Photo supplies will need to be on a separate authorization made out to the Photo Store, located on the RIT campus.

The ACCES/VR accounts close after the 6th week of classes (some states close earlier). **Purchases cannot be charged to your ACCES/VR account after the closing date.** We recommend that you buy your books during the first week of the semester.

*Keep all receipts for items purchased for all books and supplies.* No refunds will be honored without original receipts.

Certain states require specific approval from the ACCES/VR counselor for large ticket items. These items include expensive calculators, art kits, office supplies, etc. You may need to fax your ACCES/VR counselor proof that those items are necessary for your class participation. Your ACCES/VR counselor will then notify Barnes & Noble if he or she agrees to approve the purchase.

**STUDENTS RECEIVING ACCES SUPPORT FROM NEW YORK:**
If ACCES authorization allows you to purchase supplies, this means only special supplies that are required for your major. New York strictly prohibits “expendable school supplies.” Under no circumstances will New York ACCES pay for such supplies as pens, pencils, paper, notebooks or any other ordinary expendable supply.

If you have any questions about the procedure for using your ACCES/VR account, please ask at any cash register.

The staff of Barnes & Noble wishes you an enjoyable and successful year.

**FOR VOCATIONAL REHABILITATION PERSONNEL**
**INFORMATION FOR AUTHORIZATIONS REGARDING BOOKS AND SUPPLIES**

Barnes & Noble @ RIT has available the books and supplies required by all RIT/NTID students. **NTID does not have its own bookstore.**

To enable us to provide the best possible service for your clients, we require the following:

1. Send authorization(s) at least **two weeks** prior to the beginning of each semester. Please be sure to have the valid (start/end) dates coinciding with RIT’s semester. Our academic calendar is included in this packet.

2. Authorizations should be established on a semester or annual basis. Authorizations will be billed each semester.

3. All authorizations must include the appropriate billing address, contact phone number (Voice or VP), an email address and the VR counselor’s name.

4. Approval for calculators, art kits, art supplies, electronic devices, etc. must be specifically stated on the authorizations. They cannot be generically grouped under supplies.
5. If we have not received an authorization, the student will be required to use cash, check, Tiger Bucks or credit card to obtain needed books and supplies. These expenses will be reimbursed upon receipt of the authorization only if the student has retained the original sales receipt(s).

6. Books and supplies must be authorized on a voucher separate from Tuition, Fees, Room and Board.*

7. If your office requires invoices to be submitted on a special form, please include enough forms to cover each authorized semester. Barnes and Noble will not make copies of state billing forms.

8. Specialized photo equipment must be authorized for purchase at RIT’s Photo Store, 48 Lomb Memorial Dr., Rochester, NY 14623-5604.

*It is very important that the authorizations for books and/or supplies be sent directly to the bookstore at the above address. These authorizations must be separate from tuition, room and board as they are billed at different times and paid to two different entities.

At the end of each semester, Barnes & Noble will send you an itemized invoice for each student.

If you have any questions you may contact Lea Spock at the above address or by calling 585-424-6766 option 6 (V), 585-424-6716 (FAX) or email lasbkf@rit.edu
STUDENT ACCIDENT & SICKNESS INSURANCE PLAN

Voluntary Enrollment

RIT requires all students to have adequate medical insurance. This requirement enables access to health care when medical emergencies arise that require services provided outside of RIT’s Student Health Center. If a student does not have coverage, this requirement may be satisfied by enrolling in RIT’s Student Health Insurance. Please note: If you already have health insurance, please consult your insurance company regarding the following:

- To what extent will my plan cover me in Rochester if I am from a different city or state? “Out-of-network” coverage can differ significantly from your local area coverage, particularly if your current coverage is a government-sponsored plan such as Medicare or Medicaid. In addition, most state exchange plans provide more limited “out-of-network” coverage.
- Do I need a referral from my home doctor to see a health care provider in Rochester?
- Does your policy carry a high annual deductible or large co-pays?

The Aetna plan can be used to supplement deductibles and co-pays of your existing primary coverage.

Enrollment in RIT’s Basic Accident & Sickness Plan is voluntary for all students except A, B, E, F, G, I, J, K, O, Q, R and V visa international students.

To obtain coverage, students will need to enroll in the plan through the insurance plan administrator. The student must be a registered RIT/NTID student to enroll in this plan.

Students who desire coverage in the RIT offered Student Health Insurance Plan for 2016-17 will need to take action to enroll through University Health Plans no later than September 30, 2016.

Enrollment will be available on-line, via fax or mail. Payment can be made by credit card (Visa or MasterCard), check, money order or the premium can be added to the student account. Instructions and enrollment information are available at www.UniversityHealthPlans.com.

TUITION INSURANCE

With the current level of education costs, we have had a concern for the student who suffers an illness or accident and has to withdraw from classes before the semester is completed. In some instances, it may mean not only the loss of time invested in studies, but also the loss of the semester's costs.

This is to advise you of the availability of an insurance program, the Tuition Refund Plan, which could minimize the financial portion of the loss. This elective insurance plan provides coverage for tuition, room and board charges, and extends and enhances the Institute's published refund policy. Under this plan, you may receive a 70 percent refund of your semester payment even after the Institute's own refund policy has expired.

The Tuition Refund Plan is provided by A.W.G. Dewar, Inc., a commercial insurance vendor, and is independent of the University. We are merely informing students and parents of this plan as an available option. The coverage section describes the plan in detail. It is important that those who wish to participate online submit the application and premium before Fall Semester classes commence (August 22, 2016). Online applications will not be accepted on or after this date.
Any questions regarding the Tuition Refund Plan may be directed to A.W.G. Dewar, Inc. at 617-774-1555

NEW SIGNERS PROGRAM

The New Signers Program (NSP) is a one-credit, two-week pre-orientation program offered to newly accepted deaf and hard-of-hearing students who have little or no prior skills in American Sign Language. This program is designed to help them learn basic sign skills and have an introduction to Deaf culture.

Students must apply and be accepted for this program. The fee for participation is $700. NSP will be held July 24-August 7, 2016. If accepted to the program, the program fee will be reflected on the student's fall bill. If VR is covering the program fee, authorizations should be faxed to 585-475-5307 or mailed to:

Rochester Institute of Technology
Student Financial Services Office
25 Lomb Memorial Drive
Rochester, NY 14623

II. HOW DO YOU PAY FOR CHARGES?

Electronic Billing Information

Fixed Charges

The Student Financial Services Office of RIT is responsible for maintaining students’ accounts and preparing semester bills in regard to Fixed Charges. It is also the responsibility of the Student Financial Services Office to allow or disallow any student's registration based upon payment or non-payment of the semester bills by the designated due dates.

The due dates for payment for the 16-17 academic year are as follows:

- Summer Vestibule Program: 08/15/16
- Fall Semester: 08/15/16
- Intersession: 01/15/17
- Spring Semester: 01/15/17

Questions regarding student accounts and/or semester bills should be directed to the NTID/VR Billing Department located in the Student Financial Services Office at 585-475-6186. Additional information can be found on our website at www.rit.edu/fa/sfs/.
The University sends billing notices electronically to students. Each semester, all RIT students will receive an email notification to their official University email account, stating that their bill is available. Students have the option of selecting three additional email addresses to allow for a parent, guardian, sponsor or other authorized user to receive billing notifications.

Please check our website at www.rit.edu/eservices for instructions.

**Cost and Payment Procedures**

University billing statements may be paid by cash, check or electronic check (e-check). The University does not accept credit card payments for tuition, fees, room and board that appear on the student billing statement. However, we have an arrangement for a third party vendor to accept MasterCard, Visa and Discover Card when payment is made online. The vendor does charge a percent service fee for each credit card transaction. Billing related payments (check) may be mailed to: Rochester Institute of Technology, Student Financial Services, 25 Lomb Memorial Drive, Rochester, NY 14623-5603. Payment may also be made in person at the Office of Student Financial Services on the first floor of the University Services Center. Please check our website www.rit.edu/sfs for instructions on how to make a payment.

Due dates are clearly designated on the billing statement and our website. Failure to pay the amount due (or to arrange an optional payment plan by the due date) will result in a late payment fee for students.

**Billing Options**

RIT charges tuition for each semester based on student registration. The bill is generated and a notification email is sent to the student and to any other person they have selected to have access. The student will have the ability to select a payment plan each term online through the eServices site.

**Payment Options**

All students will receive an email notification that the bill is available during the first week of July for the fall term with the following payment options:

- Option #1 Pay in full with no fee
- Option #2 Pay in 4 installments with $40 fee

You will need to enroll in your payment plan each term online through the eServices site.

**IF A STUDENT RECEIVES SUPPORT FROM VOCATIONAL REHABILITATION**

(for tuition, room, board, fees, etc):

1. Authorizations for Vocational Rehabilitation support must be on file prior to registration. If NTID has not received authorization prior to registration, the student must either:
   a) obtain a letter of commitment from his/her VR counselor stating the dollar amount authorized and present it to the Student Financial Services Office or
   b) be prepared to pay for the charges in question before registration will be allowed. If any authorization is received after the student has personally paid for these charges, a refund will be made upon receipt of a written request from the student.

2. All uncovered charges (charges not included in a VR authorization or letter of commitment) must be paid by the student by the semester due date indicated.
3. Vocational Rehabilitation Counselors **need to specify each charge they are paying and the semester the funds are meant to be applied on their authorizations.** They also need to indicate how or if financial aid is to be applied or if it has already been taken into consideration on the authorization. The client's Student Identification number should be included on the authorization. Please also include the counselor's phone number, including area code and/or email address, in case we need to contact you.

4. It is the responsibility of the student to work with his/her VR counselor in order to:
   
   a. Clearly understand the amount of his/her VR coverage.
   
   b. Ensure that the supporting authorizations have been sent to the NTID/VR Billing Supervisor **before** each semester due date.

5. **Room and board will only be billed for RIT on-campus housing and meal plans.**

6. For clarification regarding VR authorizations and/or billing procedures, contact:
   
   NTID/VR Billing  
   Student Financial Services  
   Rochester Institute of Technology

III. WHAT RESOURCES ARE AVAILABLE

At RIT, we believe that the primary responsibility for funding higher education belongs with the student and, in the case of dependent students, with the student's family. A variety of other resources exist. NTID recommends that all students explore and apply for any and all resources that may be available to them. Most of our students receive financial assistance from a variety of sources to help with educational costs such as: Vocational Rehabilitation; the Social Security Administration; Federal, State and Institutional Financial Aid Programs.

**Vocational Rehabilitation**

Contact your local office of Vocational Rehabilitation. Schedule an intake interview. Vocational Rehabilitation is a nationwide federal-state program that helps people with disabilities find the right job for them. Education and training may be part of the plan to get a good job. See if they can help you. For more information about VR and state-by-state directory of VR agencies, visit [www.rit.edu/NTID/VR](http://www.rit.edu/NTID/VR).

**Social Security**

Contact your local Social Security Administration Office. You may be eligible for Social Security or Supplemental Security Income. You may contact SSI at their national number 800-772-1213 (V) or 800-325-0778 (TTY) or visit their website at [www.ssa.gov](http://www.ssa.gov).
Financial Aid

Spring is the time to apply for financial aid. All students are required to complete a Free Application for Federal Student Aid (FAFSA). This form can be completed online at www.fafsa.gov. Have results sent to RIT by including our federal school code (002806).

New York State Residents: New York State Tuition Assistance Program (TAP) and Scholarships are for students meeting residence, income, academic and/or other requirements established by New York State. When completing the on-line FAFSA, you will be provided with a web link to the TAP application after submitting your FAFSA. If you miss this link, an email will be sent with a link to a website to establish a PIN and to gain access to the online TAP application. Applicants who do not provide an email address will be mailed a postcard directing them to TAP on the Web.

Counseling/Academic Advising Services for Students

Each NTID sponsored student is assigned a counselor. This counselor is responsible for the overall counseling needs of each student. This could include: personal and career counseling, academic advising, and consulting with faculty/staff, with parents, and with vocational rehabilitation/ACCES counselors. NTID counselors are not experts on financial aid, but they do get to know each student individually and can be an excellent resource for students and their supporting advisors. They are often in touch with VR counselors and can be a big help in getting on-campus services coordinated and students involved. If you would like to speak to an NTID counselor, please ask your client/student for contact information for their assigned counselor. General questions are always welcome. However, for more detailed information, an NTID Student Release of Information form will need to be signed by the student. Please feel free to contact Dr. Mary Karol Matchett, Interim Chair of NTID’s Counseling and Academic Advising Services. She may be reached by phone at: 585-286-4854 (V/VP) or by email at: mkmnca@rit.edu.

RE: Communication Studies & Services at the National Technical Institute for the Deaf at RIT

Dear Colleague,

The Communication Studies & Services Department (CSS) provides comprehensive audiology and speech-language services to all students enrolled at Rochester Institute of Technology and the National Technical Institute for the Deaf.

Licensed and certified audiology faculty and staff provide hearing and hearing aid evaluations, cochlear implant mappings, FM systems and fittings and aural rehabilitation. These faculty and staff members have extensive experience and knowledge of the needs of students with severe and profound hearing loss. Many of these services are provided at no cost to students of NTID/RIT. Through the Hearing Aid Shop, students also can get hearing aid supplies/repairs, and new hearing aids. Students also can set up an appointment or meet with an on-call audiologist to discuss questions and receive services related to hearing loss, hearing aids, assistive devices, cochlear implant candidacy, etc. For medical needs, students can be seen by a physician at our on-campus Student Health Service on a walk-in basis. Board-certified otolaryngologists and ophthalmologists also are available, for consultation, in our Eye and Ear Clinic.

Speech-language faculty and staff meet with students individually to provide training in spoken language skill development. The Spoken Language Learning & Practice Lab (SLLPL) is a state-of-the-art lab where students have the opportunity to take advantage of a variety of instructional and technological opportunities designed to enhance speech and listening communication skills.

For more information, please contact me by phone, email or at the above address. We hope that you will review the CSS website which describes the scope of our services. We look forward to serving your students.

Sincerely,

Amanda L. Picioli, M.Ed.D, Au.D., CCC-A
