

Activity Risk and Release

As the parent/legal guardian of _____ (print student name), I give permission for him/her to participate in the following Droids and Drones Camp activities. I understand that these activities are optional and that students may choose not to participate.

Here is a general list of activities for the Droids and Drones Summer Camp program.

- general classroom learning activities in labs.
- softball
- swimming
- kickball
- movie
- walking across campus
- participate in an on campus “mock” fire drill
- field trip to US Space and Rocket Center
- drone handling/manuvering
- field activites

I acknowledge that I have reviewed the list of activities my son or daughter will participate in during the camp.
