

NTID FACULTY CONGRESS
October 4, 2016
Minutes

- 9.38 PRESENT: Bonnie Bastian, Tao Eng, Brian Milburn, Austin Gehret, Campbell McDermid, Ed Mineck, Kristina Bernhardt, Camille Quelette, Cynthia Boda Lucas, Charlotte LV Thoms, Jessica Trussell, and Marcus Holmes.
- 9.39 Austin Gehret moved to accept the minutes. Seconded by Jessica Trussell. Voted unanimously.
- 9.40 Dr. Laurie Brewer gave the following thoughts after she gave a history of why there was the evolution of the lecturer. Adjunct and lecturers give flexibility in the development of new programs. Visiting professors can also be included. NTID teachers wanted to be seen as equal to RIT professors; therefore, the terminal degrees or the research requirement moved toward the need for lecturers.
- 9.41 NTID teachers have added three areas to consider
1. communication; 2. Development of pedagogy (creative/innovation); 3. Research
- 9.42 NTID has the challenge of adapting to growth and learning how to change.
- 9.43 NFC needs to make an argument based on years of service (possibly 3 years), on knowledge, and experience. HELP: There was a comment on critical nature of inclusion but I can't remember the details.]
- 9.44 One area where we can make a case is the to focus on the broad range of student entry needs and to give voice to the individuals who support those students.
- 9.45 Tao Eng request a current list of NFC members. See 9.38 above.
- 9.46 Chair requested agenda items be sent before the next meeting. There will not be a meeting on October 11, 2016.
- 9.47 Card mailed to Geneseo Ambulance Fund in memory of John Conklin.
- 9.48 Austin sent communication committee findings to chair.
- 9.49 Adjournment
